

# Water. Fun...

During summer time our **outdoor pool** offers a beautiful view in direction of the Swabian Alb. The **50 m swimming pool** combines a unique panorama with an atmospheric ambience helping to relax and enjoy every single moment. The outdoor pool is automatically included in the entrance fee of the „Panorama-Bad“ giving our guests the opportunity of changing between inside and outside pool area via the water slides at any time.

Aqua courses and learn how to swim. Stay active with water sports.

# Panorama. View.

Water-fun in Freudenstadt with many opportunities and unique views all year round.

Families, active swimmers, guests from the region as well as tourists – we do offer everything for everybody, including areas for swimming, playing and relaxing in the beautiful black forest.

The central meeting point is our sports pool with water slides.

Our large sauna area offers relaxation and different theme events at our midnight sauna party on a monthly base.

In our vital area you can experience the element water in different characteristics, from warming to refreshing and sparkling.

## Vital Area

Enjoy a special **bathing experience and well-being** within a 1,500 m<sup>2</sup> area with fascinating coloured light effects under a domed roof: **spacious pool** with comfortable water temperature, bubble loungers, massage jets, water volcano, current channel, heated benches, footbath and **well-being grottos**: salt water, steam, fire and ice. The **outside vital area** offers plenty of great spots for sunbathing.

## Sports Pool with Waterslides

**Sport and activity** in the 25 m pool, 1 to 5 m diving platform and pool. Clearly laid-out children's and non-swimming area with a special area for small children and a hot water pool.

The large **water umbrella**, **steam grotto** and the **bikini restaurant** are popular meeting points. A water channel connects the indoor area and the **outdoor pool**, which is heated all year round.

**Water slides:** 110 m **Black Hole Slide** with special light effects and 68 m high speed **Turbo Slide** with time measuring.

The restaurant offers tasty and delicious regional and international specialities.

## Sauna

**Large sauna area** covering over 1,300 m<sup>2</sup> with five saunas – a **bio sauna**, a **marine climate sauna** and a **spacious sauna** with convenient resting spaces and diving pool inside as well as a **log cabin sauna** and a **KELO log cabin sauna** in the outdoor area. Popular meeting points are the footbath area and the sauna bistro with a wide variety of refreshments and light snacks. The **outdoor pool** is equipped with massage jets and a dousing shower. A **massage treatment** is the perfect way to complete your sauna visit.

## Outdoor Pool

**Outdoor pool with a beautiful view during summertime** including a 50 m swimming- and non-swimming pool as well as a children's paddling pool, a children's playground, a beach volleyball court, table tennis and a bistro. Our water slides are included in the entrance of the outdoor pool and are connected to the outdoor pool area.
